Forewords

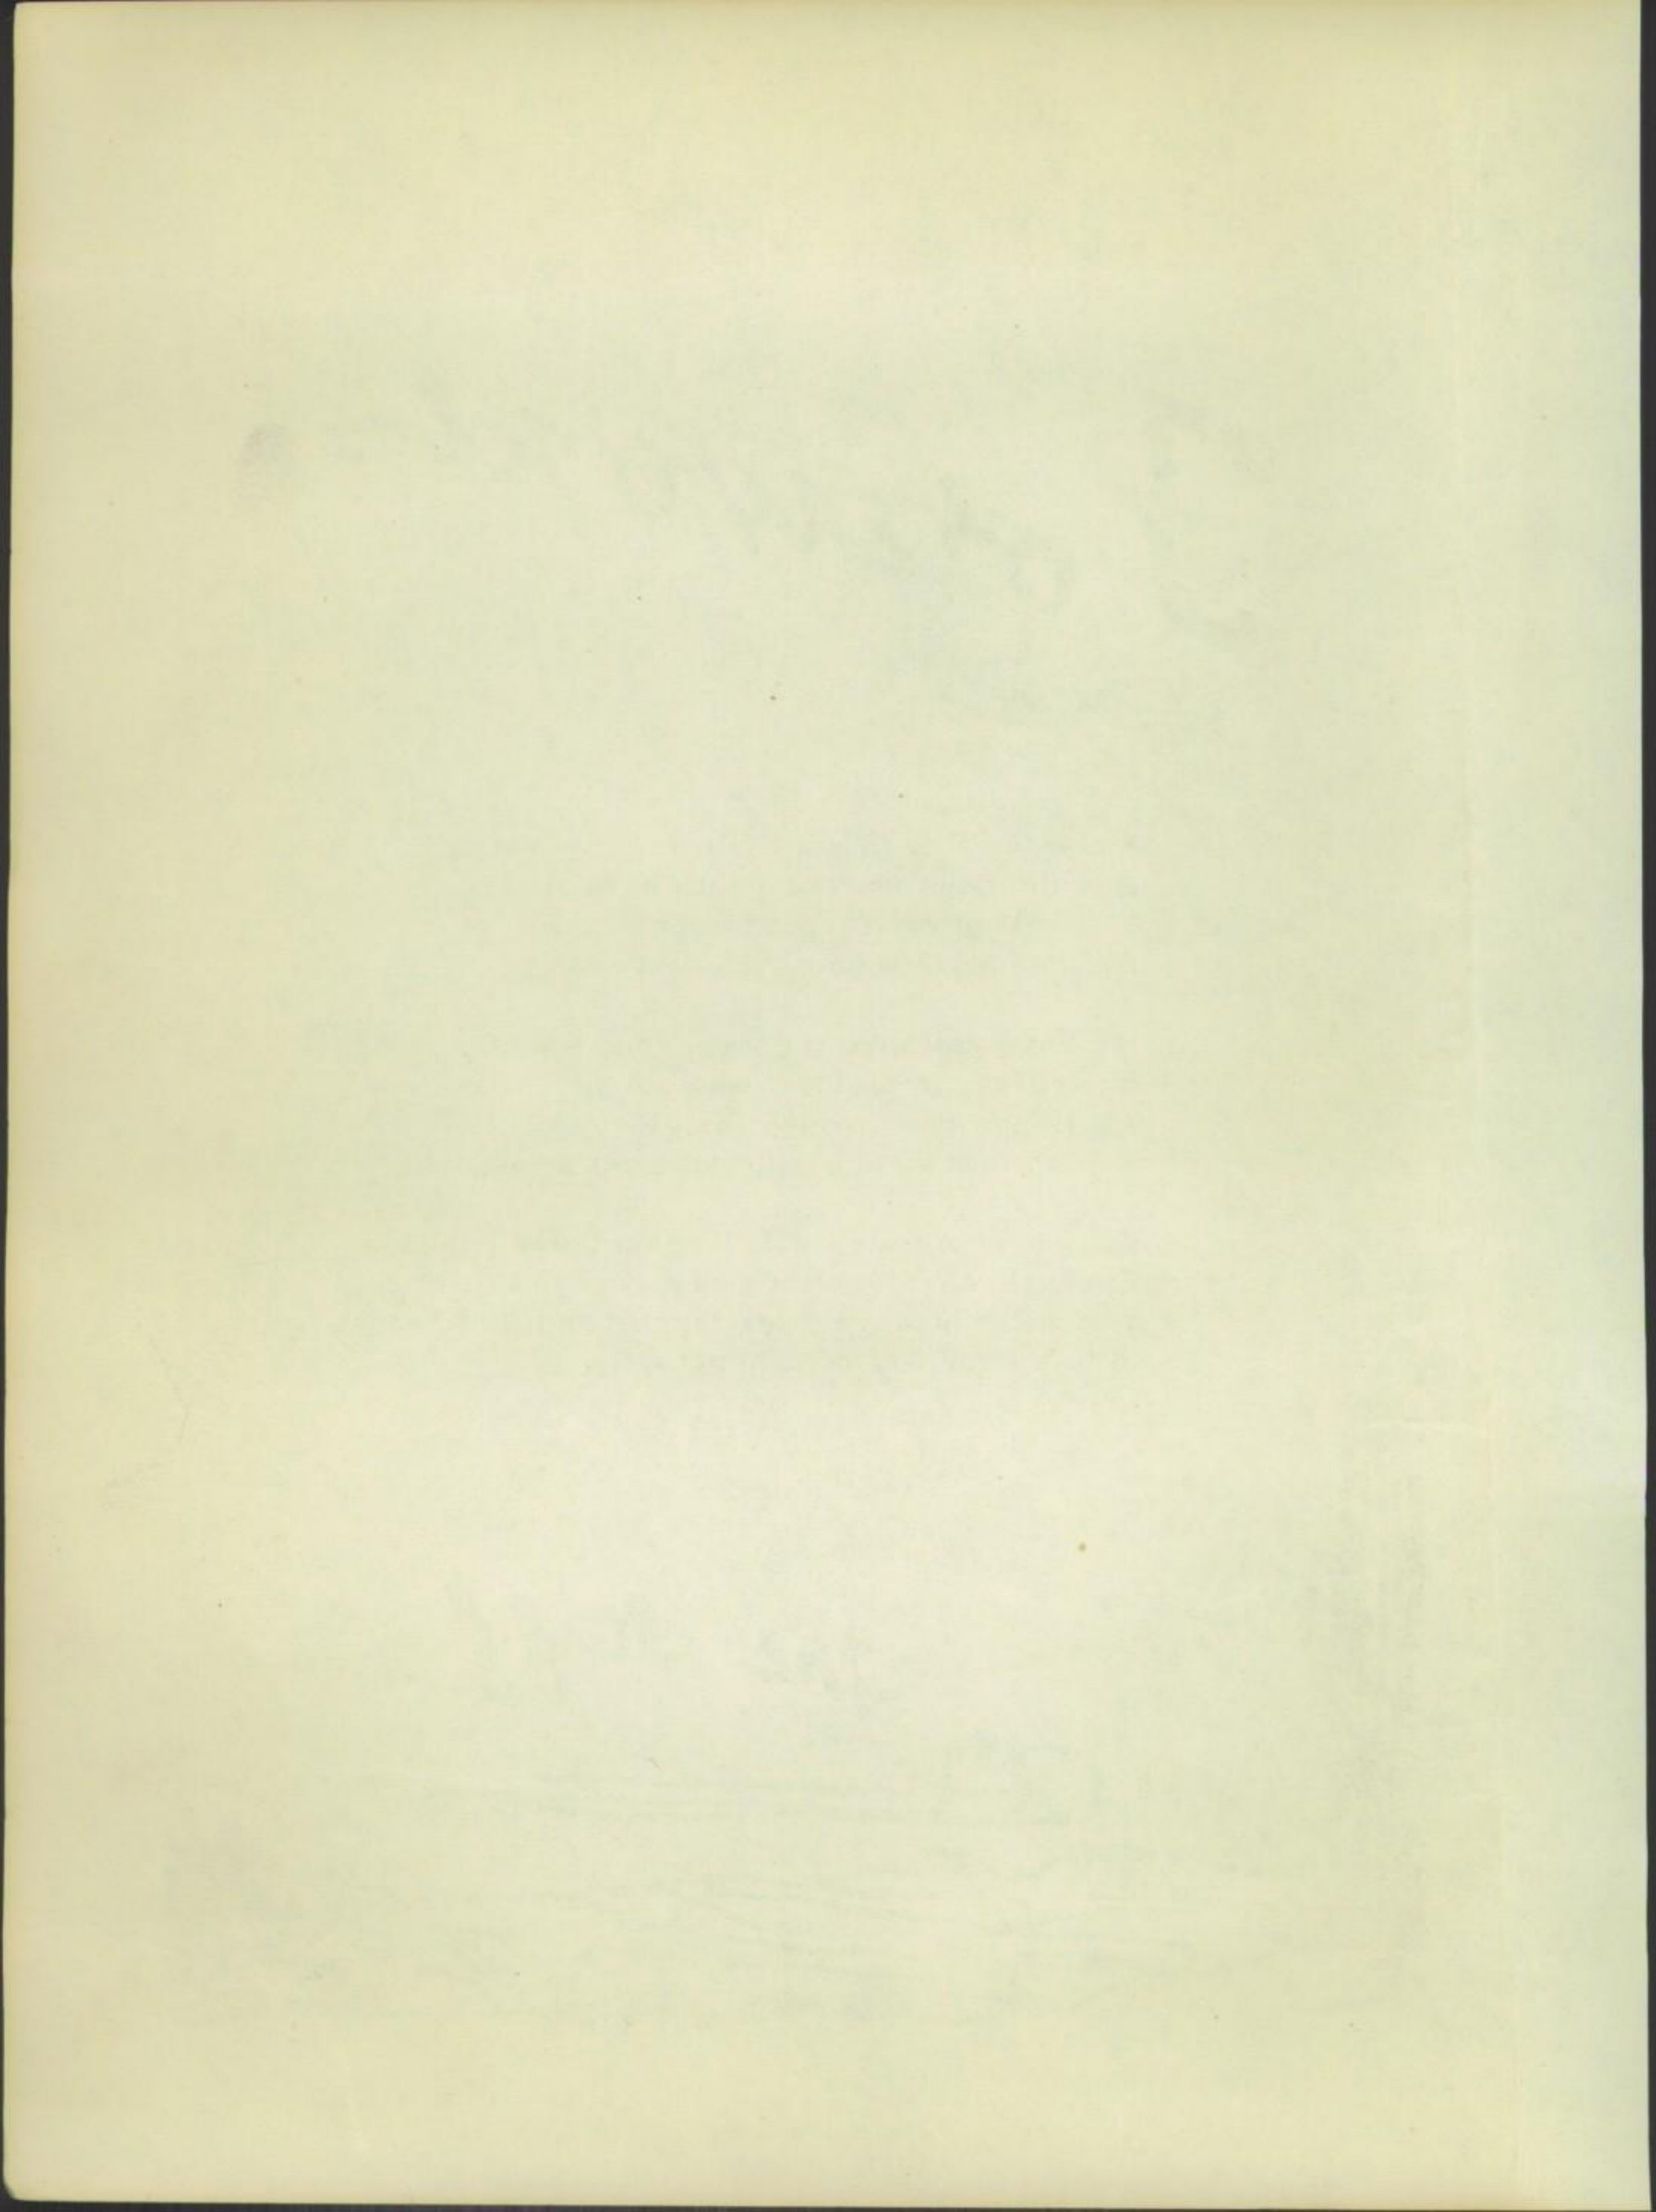

When the fire of your life is an ember
And the days of your youth have fled,
You will never forget to remember
As long as this book can be read.

We have put here the wondrous story
In writing, in picture, and song,
All things that brought us glory,
Events that went right and went wrong.

Your schoolmates will live on these pages,
Through whatever they have written or done;
You will treasure their laughs and their rages
In this book full of schoolday fun.
